Hello from the Head...

We have had a great first week back and start to Spring Two. Turtles' first swimming session was a success and we look forward to seeing their progress this half term. Clubs have been back in action and it has been great to see an array of extra curricular activity happening around school.

Some of the exciting things this week have included some brilliant pompom monsters made by Craft Club, some impressive engineering skills and designing in Science Sparks! Some of our Sharks have also been getting stuck in to some extra SATs revision. There are also still a couple of spaces on KSI Sports and Knit and Stitch Club.

Next Tuesday - Turtles and Dolphins have a Cricket Activity morning in school (Active Education coaches) and then both classes have Forest School in the afternoon. Please send them to school in smart Astley PE kit and Forest School clothes / layers in a bag.

Exciting news - it is almost World Book Day! Next Thursday 6th March children are welcome to come to school dressed as a book character of their choice. There will also be an Open Morning Sharing session in classes for families from 8:30-9:15am - please join us! Children will then be grouped across classes and will be visiting each class to do a carousel of activities throughout the day. Mrs Hamilton has chosen the tunes today - enjoy and have a good weekend.
