

ENQUIRIES ABOUT RESULTS AND ACCESS TO SCRIPTS SERVICES RHSC 2024

General

If you are requesting a copy of your script to inform your decision on whether to proceed with a review of marking, use the **access to scripts** service. For all exam boards, this is free and immediate (see over). If your university place is at stake, use the **priority** review of marking service.

Enquiries about results

If the school or college submits an application for a clerical re-check, a review of the original marking, or a subsequent appeal for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Original mark is lowered, so your final grade may be lower than your original grade
- Original mark is confirmed as correct, so there is no change to your grade
- Original mark is raised, so your final grade may be higher than your original grade

To proceed you must complete the form and sign below. Written consent is acceptable via your School/College email address.

I give my consent to the Exams Manager to submit an enquiry about results service as above. In giving consent I understand that the final subject grade/mark awarded to me following the enquiry and any subsequent appeal may be lower than, higher than, or the same as the result that was originally awarded for this subject.

Payments must be made by cash or cheque, cheques to be made payable to Reepham High School and College.

Either send by post to the SCHOOL address or put in the drop box at the SCHOOL Reception (enter the school and turn immediately right, there is a secure letterbox in the wall on your right). The post and drop box will be checked each day at noon.
