Executive Head: Mrs Catherine Ogle

8th December 2025

Dear Parents and Carers,

We understand that times are challenging, especially at this time of year. We are pleased to let you know that the school is now able to refer families and issue confidential emergency foodbank vouchers for the North Norfolk Foodbank.

In addition, we are also looking to identify children who may need a warm winter coat. We work with Coats4Kids, an organisation that ensures no child is without a coat this winter. We are happy to contact them and request on your behalf.

All requests will be handled **respectfully and confidentially**. If you would like to talk to someone, request an emergency foodbank voucher, or request a coat for your child, please email or call Mrs Benton in the School Office.

We are here to support you.

Kind regards

Reepham Primary School
